

Canada's 24/7 Medical Alert Service

Home Freedom & Go Anywhere —
always with you, always monitored

What our clients *are saying*

Recommended by our Nurse Practitioner. We chose a 24/7 monitoring fall detection. This gave me peace of mind. We highly recommend contacting Bedford.

Barbara M.

This helped my loved one and saved her life. Thank you, Bedford Medical!

Keverne C.

I searched a few but loved the fact that they were local and they had consistently great reviews and I am happy to say that they didn't disappoint. From beginning to end my experience has been excellent.

Tyson C.

I want to thank Bedford for their excellent and courteous service. I had encountered two occasions where the response was almost immediate. I appreciate this priceless and professional support. I highly recommend Bedford to anyone who requires professional and excellent support that ensures their loved ones are safe.

Margaret M.

Courteous, prompt, reliable service.
