Location Technology**

Boundary Monitoring

Water-Resistant

**No Phone Line
Needed**

Bedford

makes it simple

1. Need Help?

Press the button and
your device will contact a
dedicated Care Responder.
Automatic fall detection will
call if you can't.*

2. Immediate Response:

The alert will connect
you with a Bedford Care
Responder who is there to
help you, 24/7. Our Response
Centres are in Canada.

3. Help is On the Way!

Your Care Responder
will contact the help you
require. It could be a loved
one, a neighbour or emergency
medical services.

Proudly  Canadian

"My doctor recommended Bedford to me and
my kids. She said I would have independence
and my kids would have peace of mind."

"I wanted to stay in my home. But, I needed
more help. My O.T. told me about Bedford,
so I called. They treat me like family."

"My doctor said I'm doing well, but I
will need more help from time to time.
So, he recommended Bedford!"

"My children worried when they
couldn't get a hold of me. Now that
we have Bedford, they don't!"
